CIRCULATION NOTE.

Subject: Extension of the period of deputation of Sri.C.S.Seshadri, Assistant Commissioner to East Punjab for studying work at the Rehabilitation Colony, Nilokheri, District Karnal (East Punjab).

*****

Sri.C.S.Seshadri, Assistant Commissioner, was deputed in April 1949 to East Punjab for a period of six months to work under the Nilokheri Scheme, which is stated to be a pilot scheme for the permanent rehabilitation of refugees. Sri.Seshadri was deputed with a view to making use of his experiences there later on in the State, in connection with the reorganisation of the Rural Development Scheme and the setting up of Multi-Purpose Co-operative Societies as these Schemes have the same end in view.

2. During the period of his deputation he was allowed an arbitrary allowance of Rs.100/- and also Travelling Allowance admissible under the Mysore Service Regulations. In the Government order No.6463-6466/G. .221-49-1 dated the 21st December 1949 his term of deputation to East Punjab was extended by another six months at the instance of the Government of India on the existing terms with effect from 20th November 1949.

3. Sri.Seshadri's term of deputation expired on 29th May 1950. The Honorary Technical Adviser to the Ministry of Rehabilitation, Government of India has proposed that the deputation of Sri.Seshadri may be extended by another 3 months on the existing terms, by which period the work in which he is now engaged is expected to reach the stage of completion. The following extracts from the letter dated 27th May 1950 of the Honorary Technical Adviser and Ex-Officio Joint Secretary to the Government of India, Ministry of Rehabilitation show the reasons for the recommendation:-

"The object for which we had originally approached your Government for the loan of Shree Seshadri's services was to utilise his specialised knowledge and varied experience in the implementation of the scheme at Nilokheri which included an

elaborate programme of construction and sociological development of the township designed for the permanent rehabilitation of a large number of displaced persons from West Pakistan.

Construction of the township is now nearing completion. The workshops have also been equipped with the essential machinery and the workers are being grouped together into Producers' Co-operatives. Shree Seshadri, ever since his arrival here, was assigned the responsibility of developing the social life in the growing township. Constitutions for the various social institutions have now been framed and elections are being arranged. Shree Seshadri, who played a major role in the framing of constitutions of the various local institutions, including the Panchayat, Consumers' and Producers' Co-operatives and the Town Council, has now been appointed Returning Officer to supervise elections to the above institutions.

Engaged as he is in the vital phase of the final stage of the development of the township, Shree Seshadri's departure from Nilokheri at this stage would result in considerable loss to the colony. Besides, Shree Seshadri will also miss the experience of this vital and crucial phase of the scheme at Nilokheri which are bound to prove an asset to the State Administration. The undersigned has, therefore, been reluctantly compelled by the circumstances to approach your Government once again with the proposal for further extension of Shree Seshadri's tenure of deputation to this Ministry by another three months by which period the work in which he is now engaged is expected to reach the stage of completion. The Government of India will feel grateful if the Government of Mysore can kindly approve of the above proposal and issue orders accordingly."

4. When the file was submitted to the Hon'ble Chief Minister, he has minuted as follows:-

"The request is for an extension by just three months. I think we may agree we may state, however, that no further extension would be possible."

5. In view of urgency the Government of India have been

informed by telegram agreeing to their proposal to extend the period of deputation of Sri.Seshadri by another three months. Financial Secretary agrees.

6. The Hon'ble Chief Minister has ordered that the case may be disposed by circulation.

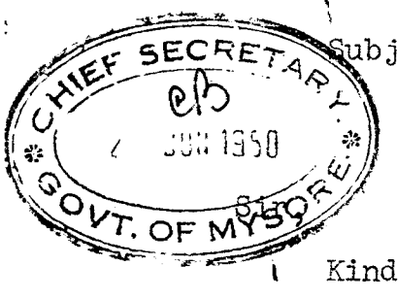
GOVERNMENT OF INDIA.
MINISTRY OF REHABILITATION.

Rehabilitation Colony,
Nilokheri, Dist. Karnal,
Dated the 27th May, 1950

The Chief Secretary to the
Government of Mysore,
Bangalore.



Subject:- Deputation of Shri C.S.Seshadri, Assistant Commissioner for work in connection with the scheme under implementation at Nilokheri, District Karnal, East Punjab.

1 Kindly refer to your telegram dated the 26th May,1950 regarding Shree C.S.Seshadri, Assistant Commissioner, at present on deputation to the Ministry of Rehabilitation.

2 The object for which we had originally approached your Government for the loan of Shree Seshadri's services was to utilise his specialised knowledge and varied experience in the implementation of the scheme at Nilokheri which included an elaborate programme of construction and sociological development of the township designed for the permanent rehabilitation of a large number of displaced persons from West Pakistan.

3 Construction of the township is now nearing completion. The workshops have also been equipped with the essential machinery and the workers are being grouped together into Producers' Cooperatives. Shree Seshadri, ever since his arrival here, was assigned the responsibility of developing the social life in the growing township. Constitutions for the various social institutions have now been framed and elections are being arranged. Shree Seshadri, who played a major role in the framing of constitutions of the various local institutions, including the Panchayat, Consumers' and Producers' Cooperatives and the Town Council, has now been appointed Returning Officer to supervise elections to the above institutions.

4 Engaged as he is in the vital phase of the final stage of the development of the township, Shree Seshadri's

departure from Nilokheri at this stage would result in considerable loss to the colony. Besides, Shree Seshadri will also miss the experiences of this vital and crucial phase of the scheme at Nilokheri which are bound to prove an asset to the State administration. The undersigned has, therefore, been reluctantly compelled by the circumstances to approach your Government once again with the proposal for further extension of Shree Seshadri's tenure of deputation to this Ministry by another three months by which period the work in which he is now engaged is expected to reach the state of completion. The Government of India will feel grateful if the Govt. of Mysore can kindly approve of the above proposal and issue orders accordingly.

Pending issue of orders by your Government, Shree Seshadri's services are being retained for Nilokheri.

Yours faithfully,

(B. K. Dey)
Hony. Technical Adviser. &
Ex. Officio Joint Secretary
to the Govt. of India.
